

THE UNIVERSITY *of* EDINBURGH
Edinburgh Medical School

Tutorial 4

Data Types and Structures in Python and R

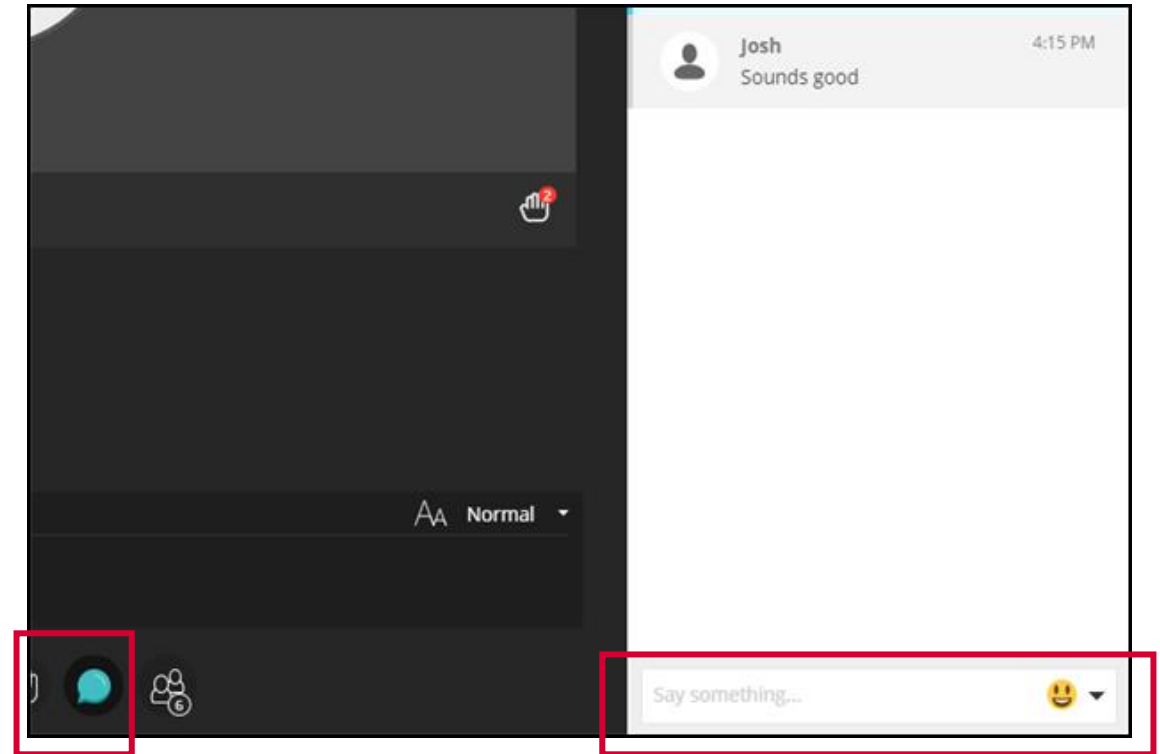

Audio check

Can you hear the presenter talking?

Please type **yes** or **no** in the “Text chat area”

If you can't hear:

- Check your Audio/Visual settings in the Collaborate Panel
- Try signing out and signing back into the session
- Type into the chat box and a moderator will try to assist you

Recording

This session will now be recorded. Any further information that you provide during a session is optional and in doing so you give us consent to process this information.

These sessions will be stored by the University of Edinburgh for one year and published for 30 days after the event. Schools or Services may use the recordings for up to a year on relevant websites.

By taking part in a session, you give us your consent to process any information you provide during it.

A black rectangular button with a white video camera icon on the left and the text "Start Recording" in white on the right.

Tutorial 4

Data Types and Structures in Python and R

How are you feeling today on this range of expressive animals?

Agenda

- Do not forget 3 stars, a wish, and a step mini-diaries ★★ ★ 🚀 👣
- Assessment released– due 29 June 2026 2pm BST
 - Q&A during Week 5 tutorial as well
 - Assessment Discussion Board + Week 6 drop-in → lots of opportunities for Q&A
-  Error of the week
-  Working with data structures notebooks
-  Any questions

Course Assessment

- Assessment folder now on course GitHub repository
- See Assessment Criteria and Submission Details page on Learn & README
- Due 29 June 2026 14:00 BST (UCT+1)
- Submit via **Turnitin**
- Submit .zip file with:
 1. Submission Declaration
 2. .Rproj file
 3. .RMD file – R Task & Report
 4. .ipynb file – Python Task & Report

Submission requirements

- 1st step: rename the files and author lines with your exam number

Your exam number is listed at **MyEd > Accounts > Progression > My Student Record**.

- ! Points will be deducted on submissions that in do not include exam numbers and/or include names or student numbers

The screenshot displays the 'My Student Record' page in the MyEd system. It features two main sections: 'Current Addresses' and 'Emergency Contacts'. The 'Current Addresses' section is divided into 'Home' and 'Semester' sub-sections. The 'Home' section has a table with columns for 'Address', 'City', 'Postcode', and 'Country', and an 'Add new Address' button. The 'Semester' section has a text box for 'Semester' and an 'Add new Address' button. The 'Emergency Contacts' section has a table with columns for 'First', 'Last', 'Relationship', and 'Phone', and an 'Add' button. At the bottom, there is a section for 'Personal Information' with fields for 'Full Name', 'Known as', 'Date of Birth', 'Exam Number', 'Country of Birth', and 'Nationality'. The 'Exam Number' field is highlighted with a red circle. A note at the bottom states: 'If you need to update any information below that cannot be edited from this screen please refer to the [Change Student Records webpage](#).'

!?! Error of the week !?!

Python: Methods vs Attributes

Working with data structures notebooks

- 2 files for this tutorial
 1. Tutorial04-Python.ipynb
 2. Tutorial04-R.RMD
- Solutions notebooks released after the Friday afternoon tutorial
 - Really do try the exercises without looking at the solutions – trial and error is the best way to learn!
